Dishwasher EW393

Eurowash is manufactured by the Eurotec group, one of the world's major dishwasher manufacturers.

Over 800,000 dishwashers have left the factory, building a great reputation for quality, experience and expertise.

Eurowash products are proudly distributed by LKK Food Equipment Ltd.

Nationwide Service and support is offered 24 hours 7 days per week

Eurowash EW393 features easy removable wash and rinse arms and scrap trays for cleaning. Patented anti clogging wash arm design constructed from Stainless steel for long life. Complete with built in rinse, detergent and rinse aid pumps installation is simple and quick. Eurowash EW393 comes complete with one cup rack, one plate rack and one cutlery rack.

Eurowash EW393 Hood Type Dishwasher

The space-saving Eurowash EW393, offers a 400mm high, wash chamber for pass through operation, within a compact footprint. The operator may select from a 90 or 120 second wash cycle to rapidly wash any kind of kitchenware.

The massive door opening and 500mm x 500mm rack allows for larger plates, platters and GN containers with ease.

The patented Hood lifting system reduces the opening weight to just 3 kilos, that is less than a third of the ordinary designs.

Thanks to the advanced technology, the EW393 wash pump delivers an amazing 380 litres of water per minute through the stainless steel top and bottom rotating wash arms, to produce consistent, sparkling results.

User-Friendly Soft-Touch control panel positioned within easy reach gives the user the choice of two different wash cycles pending the amount of soil level and wash time required. The EW393 is clever enough to self diagnose its operation and advise you of any problems encountered.

Safety is paramount in food preparation and the Eurowash's hygiene is impeccable. Thermostop feature ensures set temperatures are reached. The built-in energy-saving setting, ensures higher efficiency and lower running costs.

Water consumption is restricted to an amazing 2.9 litres, per cycle regardless of the total wash time, you save water, electricity, chemicals and money!

The Eurowash Compact EW393 Dishwasher, part of the new LKK Food Equipment Ltd solution in commercial kitchens.
